HOUSNA BABOORALLY

✦ Open to full-time roles from January 2027

UX/UI Designer

Paris +33 6 32 86 39 96 housna.baboorally@icloud.com linkedin.com/in/housnababoorally bab2o.fr

UX/UI designer trained at Strate School of Design. I design interfaces and build them in HTML/CSS, from user research through to production.

EXPERIENCE

Front-End UI Designer
Jul – Dec 2026

Maison 123 (Etam Group), internship

- Designed lookbooks, then built them in HTML/CSS
- Christmas homepage, banners and newsletters, published via Salesforce
- UX research for the website redesign

UX/UI Designer
Sep 2024 – Feb 2025

Melon Rouge Agency, internship

- Adapted the ECCC (Cambodia) website for mobile, then co-designed an interactive museum with the team
- Redesigned other websites with responsive layouts
- Managed projects for two airports

Public Policy UX Designer
Feb 2023 – Jul 2024

Directorate General for Enterprise (French Ministry of the Economy), internship

- Ran facilitation workshops and design awareness sessions
- Created the visual identity of the DGE design incubator
- Analysed data and mapped the key issues facing French industry

PROJECTS

Vrbal

Graduation project

A VR experience that puts users in the shoes of a non-speaking autistic colleague, followed by a workplace workshop to find solutions.
